

WHO WE ARE

Prim Palliative & Hospice Care, Inc. offers hospice care and palliative care to the residents of DFW, Texas. It is our mission to make sure that all of our clients and their family members are able to get the best care possible. We focus on helping each individual manage their symptoms and the pain that they feel and ensure that they are comfortable each and every day. While under our care, we will work together with the client, their family members, caregivers, and doctors to bring about the best options.
